

**SIGMA 8M KEELBOATS FOR SALE - £9000 reduced to £7900 (inc vat)
CALL: 01273 628648 EMAIL: info@sailnetuk.com**

We are an award winning RYA sail training company, selling off sections of our yacht fleet to make way for larger training yachts. The yachts for sale are part of a 6 boat matching fleet and are currently used for sail training and have been modified, maintained and reinforced to withstand the rigours of training novice sailors in a coastal environment.

Offers for the entire fleet would be considered. They aren't in tip top condition, but are ideal for the job they do, and with a little tlc will continue to make excellent training yachts or easily converted back to day sailers. The interiors have been stripped back to the hull, for ease of cleaning and maintenance, although the cushions are in storage if restoration to a day boat is required. Yachts were lifted, stripped back to gelcoat and re-anti-fouled in winter 2008/2009. Masts taken down, and serviced in winter 2008/2009 - Fitted with new 8mm running rigging. Engines new 2006/2007 and serviced approximately 3 times a year.
